## Accessing the Installation Instructions

Complete installation instructions are provided in the *Linux Advanced Cluster Environment Guide*. To access it, mount the Linux ACE CD-ROM:

```
# /bin/mount /dev/cdrom /mnt/cdrom
```

The guide is found in the following locations:

- HTML in:

```
/mnt/cdrom/doc/sgi/ace-Version/LACE_AG-Revision/html
```

- PDF in:

```
/mnt/cdrom/doc/sgi/ace-Version/LACE_AG-Revision/pdf
```

- Compressed PostScript in:

```
/mnt/cdrom/doc/sgi/ace-Version/LACE_AG-Revision/ps
```

For example:

```
# netscape /mnt/cdrom/doc/sgi/ace-1.0/LACE_AG-001/html/index.html
```

To download a free copy of the Acrobat PDF reader, go to the <http://www.adobe.com/products/acrobat/readstep.html> Web site.

After the installation process is completed, the guide is installed on the head node in the following directories:

```
/usr/doc/sgi/ace-Version/LACE_AG-Revision/html  
/usr/doc/sgi/ace-Version/LACE_AG-Revision/pdf  
/usr/doc/sgi/ace-Version/LACE_AG-Revision/ps
```
